## Distinct people, each platform on its own scale

|                 |                                                                                                                           |
|-----------------|---------------------------------------------------------------------------------------------------------------------------|
| Hidden          | Reddit n 2 people; Bluesky n 0 people; YouTube n 0 people; Hacker News n 0 people: each below the threshold of 20 people. |
| Article sources | Not applicable: arXiv and Exa carry articles, which have no authors, so people aren't counted.                            |

No platform counts people for this subject. As of 2 Oct 2026 04:00Z.
